

SAVANNAH SPACETM

MADE IN KENYA

BARS

Savannah Space celebrates the vibrancy and beauty of Kenya by curating and creating high quality and unique pieces for the home. We work with multiple artisans around the country to bring fun and eclectic furniture and home decor to our clients. By supporting Savannah Space, you are consequently fostering economic stability for our various craftsmen and women. Every purchase made has a trickle down effect affecting the lives of our artisans and their families.

Thank you for supporting us and our artisans.

Important Information

Order Process:

1. Email, Whatsapp or send us an Instagram DM with the item you would like to order. Please make sure you have measured the space your item will go in.
