

SAVANNAH SPACETM

MADE IN KENYA

SOFAS

Savannah Space celebrates the vibrancy and beauty of Kenya by curating and creating high quality and unique pieces for the home. We work with multiple artisans around the country to bring fun and eclectic furniture and home decor to our clients. By supporting Savannah Space, you are consequently fostering economic stability for our various craftsmen and women. Every purchase made has a trickle down effect affecting the lives of our artisans and their families.

Thank you for supporting us and our artisans.

Important Information

Order Process:

1. Email, Whatsapp or send us an Instagram DM with the item you would like to order. Please make sure you have measured the space your item will go in.
2. We require a 70% deposit to begin working on your order. Once the deposit is paid, please share the confirmation message, your email address and physical address.
3. We will email you an order note with details of your order for you to confirm.
4. You will have SEVEN DAYS from your deposit payment to change some details of your order such as the colour.
5. The balance payment is due within 7 days of receipt of the furniture item.

Please whatsapp us on +254 793 626 458, send as an Instagram DM or email
hello@savannahspace.com to place an order.

Important Information

- We require a 70% deposit to begin working on your furniture item.
- The turnaround time countdown begins once the 70% deposit is RECEIVED.
- Most of the furniture can be customised in various colours. Should you like a particular design but in a different colour, please notify us,
- Please be sure to accurately measure the space your furniture piece will go in. We will not be taking returns/exchanges due to issues in size and you will be required to pay the full balance once the item is delivered.
- Once an order is placed, you will have SEVEN DAYS to change the colour of the furniture piece.

Please whatsapp us on +254 793 626 458 or email hello@savannahspace.com to place an order.
